Technical sheet :

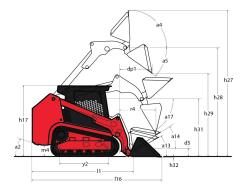

| Capacities                                 |      |
|--|------|
| Operating Capacity at 35% Tipping Load     |      |
| Operating Capacity At 50% Tipping Load     |      |
| Tipping capacity                           |      |
| Operating Weight                           |      |
| Hydraulic tank capacity                    |      |
| Fuel tank                                  |      |
| Displacement                               |      |
| Weight and dimensions                      |      |
|  | L07  |
| Overall Operating Height - Fully Raised    | h27  |
| Overall Height to Top of ROPS              | h17  |
| Overall length with bucket                 | 116  |
| Overall width less bucket                  | b1   |
| Clearance Circle - Rear                    | wa1  |
| Reach - Fully Raised                       | dp1  |
| Dump Height - Fully Raised                 | h29  |
| Maximum Rollback Angle - Fully Raised      | a4   |
| Overall Length without Bucket              | 11   |
| Specified Height                           | h31  |
| Reach at Specified Height                  | r4   |
| Dump angle at specified height             | a17  |
| Maximum Rollback Angle at Ground           | a13  |
| Carry Position                             | d5   |
| Maximum Rollback Angle at Carry Position   | a14  |
| Digging Position                           | h32  |
|  | 1132 |
| Angle of Departure with STD Counterweight  | 10   |
| Track gauge                                | b10  |
| Track Shoe Width                           | b20  |
| Crawler base                               | у2   |
| Clearance Radius - Front with Bucket       |      |
| Maximum rollback at specified height       |      |
| Angle of Approach                          | a3   |
| Grouser Height                             |      |
| Drawbar Pull/Tractive Effort               |      |
| Roller Type                                |      |
| Track Type                                 |      |
| Track Rollers                              |      |
| Height to Hinge Pin – Fully Raised         | h28  |
| Bucket Width                               | e1   |
| Dump angle at full height                  | a5   |
| Unladen weight                             |      |
| Ground clearance                           | m4   |
|  | 1114 |
| Performances                               |      |
| Bucket Breakout - Tilt Cylinder            |      |
| Bucket Breakout - Lift Cylinder            |      |
| Ground Speed - Single Speed                |      |
| Engine                                     |      |
| Engine model                               |      |
| Max. torque                                |      |
| Gross Power (kW)                           |      |
| Gross Power                                |      |
| Net Power (kW)                             |      |
| Net Power                                  |      |
| Oil Pan Capacity                           |      |
| Alternator - Voltage                       |      |
| Alternator - Ampere                        |      |
| Cold Cranking Amps at Temperature (CCA)    |      |
| Engine brand                               |      |
| Number of cylinders                        |      |

## Equipment

| Lifting function   |          |
|--|----------|
| All-Tach® Attachment Mounting System                     | Standard |
| Auxiliary Hydraulics                                     | Standard |
| IdealTrax <sup>™</sup> Automatic Track Tensioning System | Standard |
| Motorization/Power                                       |          |
| Combination Radiator & Hydraulic Oil Cooler              | Standard |
| Dual-Element Air Cleaner with Indicator                  | Standard |
| Engine Auto-Shutdown System                              | Optional |
| Glowplugs Starts Assist                                  | Standard |
| Operator station   |          |
| Full-Suspension Seat                                     | Optional |
| Multi-Function Display Screen                            | Standard |
| ROPS/FOPS Level II Overhead Guard                        | Standard |
| Other options  |          |
| Selectable Self-Leveling Hydraulic Lift Action 4         | Optional |
| Safety   |          |
| Anti-Vandalism Protection                                | Standard |
| Back-Up Alarm  | Standard |
| Easy Manager   | Standard |
| Engine Alert System with Error Display                   | Standard |
| Secondary functions                                      |          |
| Counterweight  | Standard |
