

POWER

- A** Powerful 20-25 hp diesel engine — no DPF or regen ever!
- B** Optional drive-on, quick-attach mid-mower
- C** mComfort seat swivels for operating optional backhoe
- D** Our heaviest-lifting subcompact ever
- E** Tilt and telescoping power steering
- F** Folding ROPS for garage parking
- G** Front loader skid-steer couplers for superfast hookups

ADVANCED

Our hydrostatic drive system (HST) eliminates gear-shifting by safely engaging color-coded forward or reverse pedals. Combining HST with super-smooth joystick control makes front loader work fast and efficient.

Our newest feature, Crank Assist™, safely takes you step-by-step through the tractor's start-up process.

Electric PTO engagement for your mid and rear implements designed to prevent accidental activation.

OJA is a world-class software and hardware technology platform created to improve your Mahindra's performance and safeguard your investment. With the new MyOJA phone app, you'll always be able to communicate with your tractor and local dealer. Features include real-time tractor health warnings and alerts, customized geofencing, security features, and more.

PUNCHES ABOVE THEIR WEIGHT CLASS.

Meet the newest subcompact class of fighters ... the Mahindra 1120 and Mahindra 1126. They're smart, friendly, and tough tractors. Phone app lovers will be pumped by their intelligent Mahindra MyOJA software. First-time operators will smile at Smart Assist and their intuitive cockpits. Weekend warriors will be rocked when testing their mettle. Discover why the Mahindra 1100 Series will deliver every day, every time, for the small acreage or estate homeowner.

www.mahindrausa.com

IDEAL USES

- Planting a garden
- Landscaping projects
- Material handling
- Trenching
- Mowing lawn & pastures
- Spreadings weed & feed
- Fence work
- Grading driveways
- Clearing snow

EASE OF USE

- H** Cab heat
- I** 360° glass for maximum visibility
- J** Crank Assist™ takes the guesswork out of starting your tractor
- K** Front work lights
- L** Front wiper
- M** Turn signals & hazard lights
- N** Rearview mirrors
- O** Rear work lights
- P** Rear wiper
- Q** ROPS (Rollover Protection Structure)
- R** Well-placed, intuitive controls are ideal for the first-time owner
- S** Hydrostatic forward & reverse – no need to learn a manual transmission.

The Mahindra 1100 Series ROPS cab (Rollover Protection Structure) is designed, fabricated, and fitted at our assembly plant. It can be heated quickly and efficiently to provide warmth on extremely cold days. Additionally, the glass-enclosed cab provides a 360-degree view and includes work lights, mirrors, and wipers to deliver an exceptional experience, setting a new class standard.

Try sitting on a tractor all day, and then you'll see why the 1100 series comes standard with power steering and a form-fitting mComfort seat – our most comfy combo yet.

Easy-to-use levers, knobs, and pedals are labeled for easy reference and ergonomically placed for no-hassle use.

Our projector-style headlights offer bright, white lighting for after-dark chores.

SPECIFICATIONS

NO DPF (DIESEL PARTICULATE FILTER) MEANS:

- No regen downtime
- No wasted fuel
- No wasted warranty hours
- Quieter operation
- Fewer parts to replace
