S5	\$15,000 - \$24,999	9%	10%	June - July 2023	Free
S4	\$10,000 - \$14,999	7%	10%	June - July 2023	Free
S3	\$7,500 - \$9,999	6%	10%	June - July 2023	Free
S2	\$5,000 - \$7,499	5%	10%	June - July 2023	Free
S1	\$1,250 - \$4,999	0%	10%	June - July 2023	Free

## PROMOTION GUIDELINES AND RESTRICTIONS

- Promotion runs from March 22, 2023 through April 28, 2023.
- The minimum order amount per order is \$1,250.00. Each order placed is a separate order. Orders may not be combined to receive any of the program discounts or payment options.
- Orders placed before March 22, 2023 do not qualify for any of the program discounts, or payment terms listed in the Spring Oil & Engine Care Program Order Book.
- Only items that appear in the Spring Oil & Engine Care Program Order Book are eligible for the promotion. All other parts and accessories are excluded.
- Please allow 4-6 weeks for delivery of your Spring Oil/Engine Care Program order.  
**RUSH AND EMERGENCY HANDLING REQUESTS CANNOT BE PROCESSED.**
- Please contact your sales representative for any future dated delivery needs.
- Dating terms subject to credit approval. Account must be current and financial statements on file.
- Qualifying cash in advance accounts are not eligible for dating terms. Please contact your credit representative for prepayment.
- PART NUMBERS 767000, 767001, 767034 ARE NOT ELIGIBLE FOR THE SPRING OIL & ENGINE CARE PROGRAM.

\* BOSSWeb orders must reflect correct order types to receive free freight.

\*\* All XPS Care Products will receive a 10% discount in addition to the program discount.  
For example if you qualify for the S4 order type you will receive 17% off any XPS Care Products ordered.

---

# XPS MARINE OIL

---

XPS marine oil and engine care products instill confidence in its users with its exceptional reputation for engine protection. Evinrude offers a superior line-up of XPS products.

## XD100™

### SYNTHETIC FORMULA DIRECT INJECTION OIL

XD100 delivers maximum engine performance through uncompromising lubrication, unrivaled protection against friction and wear, and reduction of combustion deposits. Specifically created for Evinrude outboards, XD100 is used to ensure a durable, reliable, and long engine life while maintaining engine power acceleration.

## XD50™

### SYNTHETIC BLEND 2-STROKE OUTBOARD OIL

Use XD50 to ensure reliable performance while reducing maintenance in any Evinrude and Johnson outboard engine. Superior lubricity protects against wear while combustion cleaners keeps carbon away from critical engine parts. XD50 flows easily in extreme cold conditions down to 0°F/-17°C and is suitable for any direct injection, oil injection or pre-mixed outboard that specifies NMMA® TC-W3® oil.

## XD30™

### PREMIUM FORMULA 2-STROKE OUTBOARD OIL

XD30 exclusive performance enhanced blend produces greater lubrication and detergency exceeding the minimum NMMA TC-W3 requirements. Formulated for water-cooled 2-cycle outboards and other 2-cycle engines which specify NMMA TC-W3, API TC, and JASO FB certified oils. Use for general and light load applications for dependability and value.

# EVINRUDE ENGINE CARE & FUEL COMPONENTS

---

## **2+4<sup>®</sup> FUEL CONDITIONER**

New Ethanol Protection Formula. Encourage your customers to use Evinrude Johnson 2+4 Fuel Conditioner in every tank of fuel. Give them peace of mind knowing that their engine has maximum protection from the potentially harmful effects of Ethanol enhanced fuels.

## **EVINRUDE FUEL COMPONENTS**

All Evinrude Johnson fuel system components are EPA and CARB approved. Based on the requirement to use low permeation hoses for any rigging or fuel system repairs, dealers can install these components with confidence knowing they meet the stringent requirements for durability, quality, and reliability.

## **TRIPLE-GUARD<sup>®</sup> MARINE GREASE**

A tough grease that stays in place and is unaffected by vibration, saltwater, or cold temperatures. Triple-Guard has higher water resistance and improved adhesion to metal. It is ideal for owner engine maintenance and won't swell seals, packing or O-rings. Although not for use in wheel bearings or universal joints, Triple-Guard is compatible with other greases. Totally waterproof to prevent water wash-off, and can even be used on spark plug wire leads.
