The Hewescraft Sportsman – *the* essential all-welded, family fishing boat. Hewescraft has been the #1-selling Pacific Northwest brand for decades, and the 180 Sportsman is consistently Hewescraft’s #1-selling model. The Sportsman’s surprising combination of value for money (it’s Hewescraft’s most affordable model) and fishability in such a compact design makes it essential to countless families looking to get out onto water that a light-gauge, riveted hull just can’t handle. Add in the optional removable ski pylon for even more family fun, and the Hewescraft Sportsman has all your boating essentials covered.
