Feature highlights

Touring floorboards

With the 23 in. (58.4 cm) touring floorboards, riders can now sit however they are most comfortable and change leg positions on long rides while enjoying easy access to the brakes.

10.25 in. Touchscreen display with BRP Connect and Apple CarPlay

A high-resolution infotainment system that puts an interactive, informative and customizable experience that's both seamless and simple right at your fingertips.

Front signature lights

The front signature LED light provides a head-turning look and makes your vehicle stand out when it gets darker.

Top case

The waterproof top case offers 60 liters of storage capacity, perfect for leaving nothing behind on a long-distance ride. Enough space for 2 large full-face helmets.

Adjustable electric windshield

The adjustable electric windshield with memory function provides superior wind protection and the memory function automatically returns the windshield to the lowest or previous height.

Self-leveling air suspension

Rear air shocks automatically adjust to passenger and cargo weight to ensure comfort is never compromised.
