## ABOUT US

The Marlon roots extend back over 45 years as a distributor of recreational products for adventurers in British Columbia, Canada. As we matured in the marketplace, we identified a need to not only expand our offerings of recreational trailers and related accessories, but also innovate our own products to help address the specific needs of a growing customer-base in Canada and the USA.

NEW GUNWALE ACCESSORY TRACK!

# DESCRIPTION

Marlon Jon boats are renowned for their exceptional width and stability, making them a reliable choice even in challenging waters. Our lightweight flat-bottom boats are the perfect solution for those seeking a combination of stability, portability, spaciousness, and enhanced carrying capacity.

But why aluminum boats? . At Marlon, we're committed to protecting the environment. Our aluminum boats are an eco-friendly choice, helping to reduce our environmental impact while still delivering top-notch performance.

Each Marlon SP boat is equipped with high-density EVA or Bloom seat pads, black non-skid flooring adorned with distinctive Marlon decals, and is available in three versatile lengths: 10', 12', and 14'."

"We build products that are safe, smart, and secure!"
